

Copyright and Permission to Reproduce

Information in the Alberta Public Data section of the Petrinex website is provided by Alberta Energy Regulator (AER) as mandated by regulation.

Non-commercial or Educational Reproduction

Information in this section is non-confidential and contains no commercially sensitive data. It has been posted with the intent that it be readily available for personal and public non-commercial (educational) use. The information may be reproduced, in whole or in part and by any means, without charge or further permission from the AER. We ask only that

- users exercise due diligence to ensure the accuracy of the materials reproduced;
- the source of the materials be identified as information provided by the AER; and
- the reproduction not be presented as an official version of the AER material, or as having been made in affiliation with or with the endorsement of the AER.

Commercial Reproduction

Reproduction of multiple copies of materials on this site, in whole or in part, for the purposes of commercial redistribution is prohibited except with prior written permission from the AER. To obtain permission to reproduce materials on this site for commercial purposes, please contact:

Disclaimer and Limitation of Liability

The AER provides this material to enhance public access to Alberta Volumetric and Infrastructure information that is non-confidential and not commercially sensitive in nature. Our goal is to keep the information in this section of the website timely and accurate; however, the AER does not warrant or represent that the information contained herein is entirely accurate. Any user intending to rely on information obtained from this source is advised to confirm that the information is both accurate and up to date.

Unless otherwise indicated, the information in this section of the Petrinex website is general in nature only and is not intended to address the specific circumstances of any individual. In particular, the information in Alberta Public Data section of the Petrinex website is not professional or legal advice and should not be taken as a substitute for such advice. Individuals in need of specific legal or professional advice should consult a qualified professional.

Some information in this section of the Petrinex website has been provided by third parties to the AER, and in some cases the information on the site is only an excerpt or summary, or is otherwise derived from the information originally provided to the AER. The AER is not responsible or liable for the content or accuracy of third-party information or any material related to the AER that is derived from third-party information.

This website might contain links to other Internet sites. The AER is not responsible for the content on external sites, nor is it liable to the user for any consequences resulting from the user linking or attempting to link to external sites.
