

Pembina Pipeline Split Submissions

Jurisdiction	Release/Revision Date	Location of Change in this Document	Comment
AB	May 2, 2012		Initial Release

Audience: Alberta Facility Operators that are tied to Pembina Pipeline Systems

Background: On March 28 Pembina Pipeline Corporation communicated to their Producers, Operators and Shippers their decision to discontinue use of the Petrinex full pipeline split process effective April 2013 Production Month. For more information with regard to this decision please contact Pembina Pipeline Corporation.

Note: All APMC volumes are still required to be reported using the Petrinex Pipeline Split Process.

The Petrinex Team encourages operators to continue to submit their full pipeline split information to Petrinex for partner-to-partner reporting requirements.

More information: Please contact the PETRINEX Service Desk.
