SK	Sept 24, 2014		Initial Release

**Audience:** All Saskatchewan Users

**Purpose:** To explain that Saskatchewan's new non-compliance penalty waiver application process, implemented September 24, 2014, is now in effect.

**Background:** Saskatchewan's Ministry of the Economy (ECON) implemented its permanent web-based process for Business Associates (BA) to submit a non-compliance penalty waiver application. The online process is available on ECON's Integrated Resource Information System (IRIS).

**Key Principles:** BAs seeking a full or partial waiver for non-compliance penalties must access ECON's IRIS business portal at <https://iris.gov.sk.ca> and complete a waiver application online. IRIS is the only avenue for industry to apply for non-compliance penalty waivers.

**More information on ECON's non-compliance penalty waiver process, including how to obtain access to IRIS, can be found at:**  
<https://iris.gov.sk.ca>.

Please note: BAs have until 45 days after the date of the invoice to submit a waiver application instead of 40 days.
