

Volumetrics – Addition of New Product Type - FLUE GAS

Jurisdiction	Release/Revision Date	Location of Change in this Document	Comment
SK	November 6, 2017		Initial Release

Audience: All Saskatchewan Users

Purpose: To inform Industry that a new product type has been added to Petrinex.

Background: Effective October 5, 2017 (2017-09 production month) ECON has added a new product type to Petrinex called FLUE GAS.

This new product type is only allowed to be used by operators that have been given specific instructions to do so by ECON. Any other uses of the product type will be prohibited and upon discovery, ECON will require the Operator to amend the records.
