

Oil Valuation – Changes to Online Data Field Names

Jurisdiction	Release/Revision Date	Location of Change in this Document	Comment
SK	November 6, 2017		Initial Release

Audience: All Saskatchewan Users

Purpose: To inform Industry that the Ministry of Economy (ECON) is changing 5 data field names that display online in Oil Valuation functionality (i.e. OV RTP and OV Purchaser records).

Background:

Effective November 4, 2017, the Ministry of Economy (ECON) changed a total of 5 data field names within the Oil Valuation functionality. Of the 5 field names, 3 will be renamed for the OV RTP screen and 2 will be renamed for the OV Purchaser screen. Please note that these changes to online field names will not be reflected in the associated Petrinex reports at this time.

These changes are occurring to align the field names with the upcoming changes made to the Directive R01 (which will be renamed as Directive PNG032).

Key Messages:

The following OV RTP field names have been changed:

- “Gross Price (\$/m3)” changed to “Sales Price (\$/m3)”.
- “Gross Sales Value (\$)” changed to “Sales Value (\$)”.
- “Clean Oil Transportation Charge (\$)” changed to “Trucking Expenses (\$)”

TIP

The following OV Purchaser field names have been changed:

- “Gross Price (\$/m3)” changed to “Sales Price (\$/m3)”.
- “Gross Purchase Value (\$)” changed to “Sales Value (\$)”.
