

Volumetrics – Error Message Updates

Jurisdiction	Release/Revision Date	Location of Change in this Document	Comment
SK	April 4, 2018		Initial Release

Audience: All Saskatchewan Users

Purpose: To inform Industry that the error message and message detail for errors VME0010, VME0041 and VME0042 have been adjusted.

Background:

Effective April 5, 2018, Energy and Resources has changed the verbiage for the errors VME0010, VME0041 and VME0042 to provide clarity as to why these errors are being generated. The changes are as follows.

Current Error Message - VME0010

Gas production or gas recovery should be reported when total oil and condensate production greater than or equal to 50.0 m3 has been reported at a crude oil or heavy oil facility in a production month.

New Error Message – VME0010

Gas production or gas recovery must be reported when total oil production greater than or equal to 50.0 m3 has been reported at a crude oil or heavy crude oil facility in a production month.

Current Error Message Detail - VME0010

Activity PROD must be reported for product GAS when OIL PROD of 50 m3 or more is reported at a crude oil or crude bitumen facility.

New Error Message Detail - VME0010

Gas production or gas recovery has not been reported and the total oil production is [total production volume] for facility [facility ID].

Current Error Message - VME0041

Gas production or gas recovery has not been reported for a crude oil well when oil production of greater than 15.0 m3 has been reported.

New Error Message – VME0041

Gas production or gas recovery must be reported when oil production of greater than 15.0 m3 has been reported at an oil well in a production month.

Current Error Message Detail – VME0041

Oil production is [production volume] for well [Well ID].

New Error Message Detail – VME0041

Gas production or gas recovery has not been reported and oil production is [production volume] for well [Well ID].

Current Error Message-VME0042

Total gas production or gas recovery has not been reported for the crude oil or heavy oil well when oil and condensate production of greater than or equal to 50.0 m3 has been reported.

New Error Message – VME0042

Gas production or gas recovery must be reported when oil production greater than or equal to 50.0 m3 has been reported at an oil well in a production month.

Current Error Message Detail-VME0042

Oil and Condensate Production is [production volume] for well [Well ID].

New Error Message Detail – VME0042

Gas production or gas recovery has not been reported and oil production is [production volume] for well [Well ID].
