

EPAP Declaration Report to be Deleted When Regulator Rejects Declaration

Jurisdiction	Release/Revision Date	Location of Change in this Document	Comment
AB/SK	July 17, 2018		Initial Release

Audience: Petrinex EPAP Users

Purpose: To inform users that effective July 5, 2018, when the Regulator rejects an EPAP Declaration, the Declaration Report attached to the EPAP Declaration will be deleted.

Background: This change has been made as the process of leaving the report attached caused confusion for Industry and resulted in the possibility of the original report being included when a revised EPAP Declaration is submitted.
