**Audience:** Industry Petrinex Users

**Purpose:** To advise Industry users about changes that have been made to the Volumetric Industry Extract effective May 5, 2020.

**Background:** Changes were made in Petrinex, effective February 5, 2020 to remove the submission start and end dates for the Volumetric Industry Extract.

Due to concerns raised by Industry, changes have been made effective May 5 to return the submission start and end dates to this report. These submission dates will be “optional” with the defaults set to blank. Using the defaults (blank) will provide the most current data. If dates are supplied, only submissions made during that date range will be included in the results returned.
