

**Business Associate – Changes to BA Supporting Documentation Storage on Petrinex**

<b>Jurisdiction</b>	<b>Release/Revision Date</b>	<b>Location of Change in this Document</b>	<b>Comment</b>
SK/MB	January 25, 2021		Initial Release

**Audience:** All Saskatchewan and/or Manitoba Users

**Purpose:** To inform Industry that changes have been made to the BA Supporting Documentation Storage process on Petrinex

**Background:** Effective December production month (2020-12), the Saskatchewan Ministry of Energy and Resources (SER) and the Manitoba Ministry of Agriculture and Resource Development (MARD) added the ability for supporting documentation related to applications for Business Associates (BA) and changes to BA statuses to be maintained on Petrinex. This change will allow SER/MARD to manage the application processes directly on Petrinex. Industry will notice that when applying for changes to the BA all documentation will now be stored on Petrinex. These changes will not affect any of the current BA application processes for Industry.
