

New Miscellaneous ID for Crude-by-Rail Reporting

Jurisdiction	Release/Revision Date	Location of Change in this Document	Comment
All	April 5, 2022		Initial Release

Audience: All Petrinex Users

Purpose: To advise all users that effective April 7, 2022 a new Miscellaneous Railcar ID for Mexico (**MX RC**) is available for volumetric reporting of crude by rail. This railcar miscellaneous ID can be used for prior period amendments as well.

Background: In June 2013, enhancements were made to the Petrinex volumetric and infrastructure functionality to allow crude-by-rail volume reporting. At that time Railcar (**RC**) Miscellaneous IDs were created for all Canadian Provinces, US States and Offshore for use in crude-by-rail reporting. Effective April 7, 2022 (March production month) a new railcar miscellaneous ID (**MX RC**) is available for crude-by-rail volume reporting for Mexico for current and prior production months.
