Over the past two years, Petrinex has been developing a new online learning platform to replace our legacy Learning Management System (LMS).

This new platform provides access to:

- The full suite of Petrinex learning modules for external users
- Online certification courses from the Canadian Association of Petroleum Production Accounting (CAPPA)

Key Changes

1. New User Access Options

Browser Compatibility
Users can now access their training profile and modules using a variety of browsers, including:
- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Safari

Learning Access
- The Petrinex training catalogue is open to all authenticated users.
- For CAPPA Learning Centre (CLC) course enrollment, contact CAPPA at:
  - office@cappa.org
  - https://cappa.org

2. New Sign-On Process

All user profiles are now authenticated through Alberta.ca using your e-mail address (not your previous User ID and password).

☑ Make sure your e-mail address is current in your profile.

❓ For help accessing your learning profile, click the "Help" button in the top banner in the LMS.

3. **Need Help?**

Select Support from the Help dropdown on your profile header to contact us for:
- Module-related questions
- Access issues

🔄 Ongoing Module Updates

The individual learning modules are continuously updated in line with Petrinex's monthly release schedule. Updates may include:
- New or enhanced functionality
- Process changes
- Jurisdiction-specific updates (AB, SK, BC, MB)

Each module includes:
- A knowledge section
- A step-by-step/exercise section

Users can choose which jurisdiction(s) to complete. Completing all jurisdictions is not required to finish a module.
