

Registry Tip

SAF/OAF Ensure Complete Report now available in CSV format

Release/Revision Date	Location of change in this document	Comment
May 27, 2004		Initial Release
Sept. 02, 2004	Screen Print	Screen updated

Audience: All stakeholders

Purpose: This Tip informs clients that the SAF/OAF Ensure Complete report can now be requested in CSV format.

Backgrounder: Before May 21, 2004, when a SAF/OAF Ensure Complete Report was requested, the client could only receive a PDF version of this report.

This upgrade to the SAF/OAF Ensure Complete report is the last key diagnostic report to be upgraded to provide the CSV option.

Previously, both the "Volume Variance Report" and "EUB Non-compliance Report" were upgraded to provide the CSV option.

Key Principles: Clients now have a choice of selecting which format (**PDF and/or CSV**) of the SAF/OAF Ensure Complete Report they would like the Registry to provide.

See below for a screen print to view the changes to the SAF/OAF Ensure Complete Report screen.
