## Registry Tip

# Changes to the Registry Ensure Complete Report CSV File

Release/Revision Date	Location of Change in this Document	Comment
April 08, 2005		Initial Release

**Audience:** All stakeholders.

**Purpose:** This tip informs users of recent changes to the Facility ID area of the Registry Ensure Complete Report CSV file.

**Background:** It was recognized that all Registry reports have not been standardized. The facility ID is in different formats for different CSV reports.

For example, The Registry Ensure Complete Report CSV file had spaces in the facility ID (i.e. AB BT 1234567).

**Key Principles:** As of April 5, 2005, the Registry Ensure Complete Report CSV file has been changed to the standard of having no spaces in the facility ID (i.e. ABBT1234567).

**More information:** Please contact the Registry Service Desk.
