IOGC – Petrinex: Royalty Town Hall Sessions September 19th

Event Details:

Over the past few years, Indian Oil and Gas Canada (IOGC), a Special Operating Agency of Indigenous Services Canada (ISC), has been embarking on multiple initiatives, including the modernization of our regulations, royalty systems and processes. Recently IOGC has been in implementation mode for the Royalty Module (RM Tool fully implemented in January 2023), and stabilization of IOGC – Petrinex GCA platform (implemented in 2019).

IOGC Royalty Team, together with Petrinex would like to host two Town Hall Sessions to engage and to communicate information of the upcoming Petrinex system enhancements, IOGC royalty reporting requirements and processes, and address any questions you may have.

Who should attend?

- This session is open to all who have an obligation to submit and report on IOGC Royalty matters and First Nations oil and gas contracts (primarily Alberta and Saskatchewan Jurisdiction) and Users making the submissions, including Royalty Payors, and Consultants (including those administering GCA and Trucking submissions), or anyone new to IOGC Royalty and data submission matters.

Proposed Agenda and Topics:

1. Welcome and Introduction
2. Update on Royalty Reporting Requirements on
 - a. Royalty Tax Payor, Oil Valuation and Product Pricing Modules in Petrinex
 - b. Payment integration into new IOGC Royalty Module
 - c. Enhancement to IOGC Royalty Statement delivery in Petrinex, and REN management process
3. Update on IOGC GCA
 - a. Updates and Lessons Learned from 2023 GCA Submissions and Approval Process
 - b. Future enhancements
4. Open Discussion – Q&A
