SK	July 31, 2019		Update: New data element also appear on reports in .XML and .PDF formats
SK	March 8, 2019		Initial Release

Audience: **SK EVAP stakeholders**

Purpose: To notify SK EVAP stakeholders of the update on Oil Valuation – Royalty Tax Payer Report to show a **new data element "**Arm's length transaction (Yes/No)".

Background: A request was made by the SK regulator to have the capability to run an Oil Valuation – Royalty Tax Payer Report and show when an EVAP triggering transaction flag is created with a "Yes".

The functionality allows industry or regulator the ability to run the Oil Valuation – Royalty Tax Payer Report that lists all of the transactions.

The updated version of the report allows users to run it in all three versions: .CSV, .XML and .PDF.
